

## The Croatian, Serbian and Muslimic Teenager from Bosnia exchanged letters with the young peole from Israel and Palestine

### Zivogosce 19<sup>th</sup> of August

Zdravo,

We are children from different ethnic groups in Bosnia. Now we spend our holidays together at the Croatian Adria. That we are together here is an exception, but for us it is no problem anymore. We are from Banja Luka, Gornji Vakuf -Uskoplje, Brcko and Tuzla. We would like to send you a song of peace:

Mi smo za mir!  
Neka ljubav vlada svijetom  
Nasom jedinom planetom.  
Neka ljubav pobjedi  
Mi smo za mir, mir!  
I ptica let.  
Neka ljubav vlada svijetom  
Nasom jedinom planetom  
Neka ljubav Pobjedi!

We want peace  
Love should govern the world  
our one and only planet.  
Love should win.  
We want peace, peace!  
Fly, bird, fly!  
Love should govern the world  
our one and only planet  
Love should win!

Dear all,

First we -Palestinians and Israeli- want to thank you for the letter,that you sent to us. Secondly, we want to introduce ourselves. We came to Germany from both sides to sit together and discuss our bad situation. We agree that the Palestinians have the right to live in their homeland and that there must be an end with the occupation. We also agree that the suicide bombing should be stopped immediately. We hope that both sides can live in harmony and peace. We wrote this poem for you

And will respect each other.

Have all the live ahead of us.  
Let's look towards our future.

### Zivogosce, 25th of August

Hallo,

Thank you for your answer to our fax. We are the next group here in Zivogosce with young people from the three nationalities in Bosnia. In this holiday-camp we relax and try to forget the terrible memories of the war. We hope the war in your country will stop as soon as possible. Because of the war in our country we know what war can do to people. We send you a favorite song of us:

Kad bi svi ljudi na svijetu  
Bas kao sva djeca na svijetu  
Odlucili da Nebi tad  
Bilo ni rata

If all people on the earth  
Just as the children on the earth,  
Decide that  
There is no war anymore,

A ko je sam  
Dali bi mu brata  
Sav bi strah  
Skinuli s vrata jer bio bi mir.

Anyone who is alone  
Will get a brother,  
All fear will vanish  
As there will be peace.
